Cardiopulmonary Resuscitation and Automated External Defibrillation – Training manual (2nd edition)

This training manual is suitable for anyone with a specific need or interest in learning CPR/AED skills e.g. carers, first aid providers and healthcare professionals. It is based on Guidelines 2010 and provides the content and learning outcomes that should be achieved on CPR/AED courses. The recommendations set by the Resuscitation Council (UK) ensure that training is delivered to an optimum standard. Accompanying the manual is a short DVD which provides the additional benefit of a visual demonstration of the techniques described in the manual.

Number of copies:

1 - 49	£5.00 per copy
50 - 249	£4.50 per copy
250 - 499	£4.00 per copy

Advanced Life Support (6th edition)

This publication provides healthcare professionals with the essential knowledge to treat any adult in cardiac arrest. It follows the 2010 Resuscitation Guidelines and forms the core reading material for participants taking the Resuscitation Council (UK) Advanced Life Support (ALS) course. High-quality illustrations accompanied by step-by-step instructions guide the reader through the key interventions involved in cardiopulmonary resuscitation. All healthcare professionals who attend cardiac arrests as part of a resuscitation team should be familiar with its contents.

Price per copy: £45

PRICES

Immediate Life Support (3rd edition)

Price per copy: £15

This publication provides healthcare staff with the essential knowledge to treat adult patients in cardiac arrest before the arrival of the resuscitation team or experienced assistance. It follows the 2010 guidelines and forms the core reading material for participants taking the Resuscitation Council (UK) Immediate Life Support course.

European Paediatric Life Support (EPLS) for use in the UK (3rd Edition)

Price per copy: £45

This manual is intended for candidates on the EPLS Provider course. The manual is a collaborative work by the European Resuscitation Council and the Resuscitation Council (UK) and is for use in the UK.

It follows the ERC guidelines and provides the core knowledge required to provide adequate management of the critically ill child during the first hour of illness. Each section is accompanied by a bibliography to allow EPLS providers to explore the science behind the resuscitation guidelines.

Paediatric Immediate Life Support (2nd edition)

Price per copy: £15

This publication provides healthcare staff with the essential knowledge to recognise the seriously ill child, initiate appropriate interventions to prevent cardiorespiratory arrest and to treat the child in respiratory arrest before the arrival of the resuscitation team or more experienced assistance.

It follows the 2010 guidelines and forms the core reading material for participants taking the Resuscitation Council (UK) Paediatric Immediate Life Support course.

Paediatric Immediate Life Support DVD

Price per DVD: £9

The PILS working group has developed a DVD covering ABCDE assessment and initial management of a seriously ill child. It has been designed to teach healthcare providers on the PILS and PILS recertification courses; it is not aimed at the general public.

Newborn Life Support – Resuscitation at Birth (3rd edition)

Price per copy: £30

This manual is intended for candidates on the RC(UK) Newborn Life Support (NLS) Provider course.

It follows the ERC guidelines and provides the core knowledge required to give those responsible for initiating resuscitation at birth the background and skills to approach the management of the newborn infant during the first 10-20 minutes. The text is referenced to allow NLS providers to explore the science behind the resuscitation guidelines.

Pocket Guide to Teaching for Medical Instructors (2nd edition)

A guide to the basics of good teaching, covering both the theoretical background and practical skills. It is particularly relevant for teachers of life support courses, but will be a valuable handbook for all those teaching medical and nursing skills.

Number of copies:

1 - 9 *£9.50 per copy*
10 - 19 *£10.50 per copy*
20+ *please contact us for prices*

Immediate Life Support Instructor Manual 2008

Price per copy: £12

This manual is intended for candidates on the Resuscitation Council (UK) Immediate Life Support Instructor course. The manual provides the background knowledge for the course, and covers topics such as facilitating adult learning, effective lecturing, teaching practical resuscitation skills and the assessment of candidates.

Please note: This price list is constantly updated as new publications are produced. For further information please contact the Council.
